Subject: Sponsor Lunch and Discussion of HEI Strategic Plan 2020-2025

Attachments: First Draft HEI Strategic Plan 2020-2025 May 2019.pdf

Dear HEI Sponsors, We are looking forward to seeing many of you in Seattle at the end of the week.

In advance of the conference, we are pleased to share with you the attached first draft of HEI Strategic Plan 2020-2025. This draft highlights our recent accomplishments, the science and policy challenges going forward, and how HEI research

may address some of these challenges. The research opportunities, prepared after early consultations with you, our scientific committees and the board, include many more activities than HEI can expect to accomplish under this new Plan. We very much look forward to your reactions and suggestions as we work on revising the draft by focusing on the most important research opportunities.

There will be two specific occasions during the conference when you can give us your comments. First, we invite you to a special discussion and lunch with sponsors in advance of the Conference – starting at 11:00 AM in Great Room A/B on Sunday, May 5th. Second, there will be public discussion of the Draft Plan during the meeting on Tuesday, May 7th, with time for feedback.

And, we will be happy to receive your comments in writing or over the phone in the weeks after the conference; we would hope that you could send those to us by June 4, 2019.

Please let us know if you have any questions.

With best wishes,

Rashid
